# NEWLY BUILD LIBRARY FOR STUDENTS

SDN  
PONDOK  
LABU  
01

THIS CSR PROGRAM IS DESIGNED TO ASSIST STUDENTS IN SD 01 PONDOK LABU AND TO BOOST THEIR ENTHUSIASM IN READING AND THIS ACTIVITY IS ALSO A PROOF OF PT JGC INDONESIA'S SOCIAL RESPONSIBILITY TO SUPPORT THE READING TRADITION OF SCHOOL-AGE CHILDREN.

TAMAN BACA PROVIDES READING MATERIALS IN THE FORM OF BOOKS ON ENCYCLOPEDIA, SCIENCE, INVENTORS, FOLKTALES, AND IS PROVIDED WITH A SPACE FOR READING, DISCUSSION, WRITING, AND OTHER LITERACY ACTIVITIES.

“TAMAN BACA SISWA” PROGRAM ENCOURAGES SD NEGERI PONDOK LABU 01 STUDENTS TO ENJOY READING BY DESIGNING A READING PARK WITH COLORFUL PILLOWS, WALLS THAT WE DRAW (MURALS) TO MAKE THE READING PARK AREA MORE COMFORTABLE, AND WE ALSO DRAW ON THE WALL OF THE LITERACY TREE (MURAL).

A LITERACY TREE IS A TREE BUILT WITH THE INTENTION OF RECORDING THE HISTORY OF BOOKS READ AND WRITTEN ON A PIECE OF LEAF THAT BEARS THE TITLE OF THE BOOK THAT HAS BEEN READ.

SOME OF THE BENEFITS OF LITERACY INCLUDE: EXPANDING INSIGHT AND KNOWLEDGE, ASSISTING CRITICAL THINKING IN DECISION MAKING, BUILDING LEARNERS' CREATIVITY, WHICH INCLUDES THINKING POWER AND CREATIVE POWER, AND MOTIVATING LEARNERS TO ALWAYS READ AND READING BECOMES A HABIT IN EVERYDAY LIFE.

CSR JGC KNOWS VERY WELL THAT THERE IS NO INTEREST IN READING WITHOUT ACCESS TO READING. SO WHAT MUST BE REPRODUCED ARE PLACES TO ACCESS READING, SUCH AS LIBRARIES OR READING SPOTS.

# OPEN AIR LIBRARY

**FOR STUDENT READING**

**SDN PONDOK LABU 01**

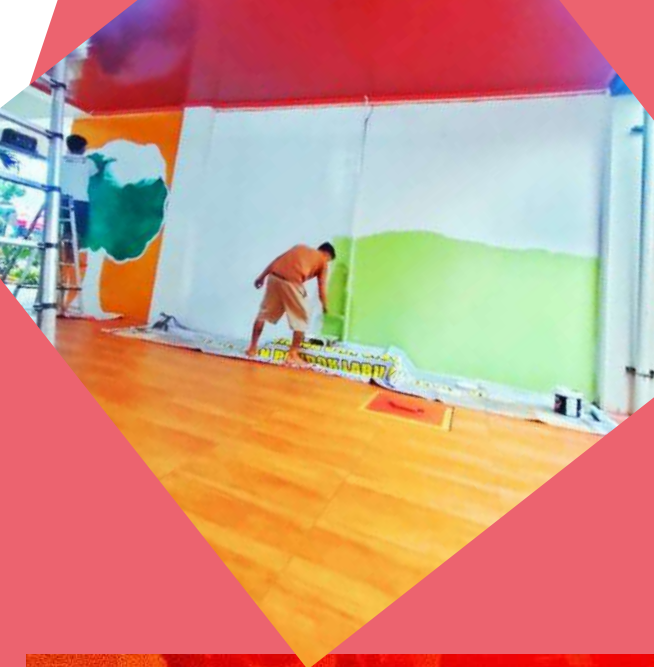

# THE LITERACY TREE

The image of this tree will be a spot where students stick papers (post-its) on the leaves that write the name of the book that we have read and a fragment of the contents of the book that we have read.
